Sara Kline, Mayor

*Annual Parade and Firecracker Run
Will Cause Road Closings on Fourth of July*

The City of Stow will be hosting two major community events on our City streets on the **Fourth** of July; The Stow Firecracker Run and the Stow Fourth of July Parade. Both of these annual events will cause a disruption to the normal flow of traffic that morning.

The Stow Firecracker Run begins at 7:30am from Holy Family Church and travels east on Kent Road to Target Plaza and then back to the church. The Stow Fourth of July Parade steps off at 10:00am from Stow-Kent Shopping Center and travels west on Kent Road to Holy Family Church.

Due to these events, the following road closings will be necessary:

Kent Road (SR 59)

Kent Road will be closed from Marsh Road to Englewood Drive at the following approximate times:

- ***7:15am to 8:30am***
- ***9:30am to 12:00pm***

Darrow Road (SR 91)

Darrow Road will be closed from Graham Road to Pinehurst Road in Munroe Falls at the following approximate times:

- ***7:15am to 8:30am***
- ***9:30am to 12:00pm***

The only through traffic permitted during the restricted periods will be for emergency vehicles only. Some businesses in the area will be open that day, and employees that need to reach their workplace should plan to take a route that DOES NOT cross RT 59 (parade route) during the stated times that roads are closed.

For additional information, please contact the Stow Parks and Recreation office at 330-689-5100, email stowparade@stow.oh.us or visit StowOhio.org.
