

# Stow Safety Town 2018

**Sponsored by Stow Police Department- Stow Youth Services**

Dear Parents,

A sad but true fact is that more children die every year from injuries than from all diseases combined. We believe that early education is one of the best and most effective tools to help reduce this troubling statistic. Safety Town is a safety education program for children who will be entering Kindergarten in the fall. Any child who will be five on or before August 1st and lives in the City of Stow is eligible to attend. The curriculum is varied and includes such topics as fire safety, safety belts, pedestrian safety, bike safety, bus safety, stranger awareness, and playground safety. Safety Town employs two full-time certified teachers to plan and lead the daily educational process. They are assisted by the Education Specialists from the Stow Fire and Police Departments, as well as other outside safety experts.
