Safety Town is a safety education program for children entering Kindergarten in the Fall of 2023. Any child who lives in the City of Stow and will be five on or before August 1st, 2023 can attend. Safety Town employs two full-time certified Stow-Munroe Falls School District teachers to plan and lead the daily educational process. Education Specialists from the Stow Fire and Police Departments and other outside safety experts will join us throughout the week.

Once your child is registered, parents will receive additional information in an email by May 26th. An optional information session for parents to meet the teachers and discuss what their child will learn in Safety Town will be held on

Thursday, June 8th from 6-7pm at the Stow Safety Building in the Community Room.
