

## SPORTS ETHICS CODE FOR PARENTS

---

I will commit to everything I say and do throughout my involvement in this sport while being consistent with the six pillars of good character: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

I will:

- Treat players, coaches, referees, other parents, and fans with courtesy.
- Be positive with my comments.
- Remember that others are relying on me.
- Think and then act.
- Control my emotions.
- Be a good sport; win and lose with dignity and style.
- Be kind and caring; treat others as I would want to be treated.
- Think of the team and others in all that I do.
- Listen to the players, referees, coaches, other parents, and fans.
- Respect authority.

I have read and understand this Code of Conduct and agree that I may be removed from the game if I don't do these things.
