

SPORTS ETHICS CODE FOR PLAYERS

I will commit to everything I say and do throughout my involvement in this sport while being consistent with the six pillars of good character: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

I will:

- Be honest, keep my promises, and act so people can trust me
 - Doing what I say I will do.
- Return what I borrow
- Treat the other teams, teammates, referees, coaches, family, and fan politely.
- Speak positively.
- Be on time.
- Remember others are relying on me.
- Listen to others.
- Think and then act.
- Do my part and do it in the best way I know how.
- Control my emotions.
- Be a good sport and win or lose with a smile
- Play fair and with honor; play by the rules.
- Be willing to give everyone a chance.
- Be kind and caring; treat others how I want to be treated.
- Think of the team and others in all that I do.
- Listen to my coaches, referees, and parents, and respect their authority.
- Work with my team.

If I follow these guidelines, there will be no lying or sneaky, threatening, or mean behavior. I will not yell, hit, or shove others. I will not name-call. I will not make fun of or hurt anyone.

I will have fun and enjoy this sport. This code will allow each and every one of us to have an excellent experience while building and strengthening our character.

I have read and understand this Code of Conduct and agree that I may be removed from the game if I don't do these things.
